# BYRNE WINES [KERIKERI, NORTHLAND]

---

A bit about Byrne Wines, this little gem was created in the winter of 2012 when the opportunity to lease the Rushbrook Vineyard came up. The chance for Ben to make some wine of his own was too good to pass up.

The 2013 wines were the first vintage under the Byrne label, hand crafted from pruning the vines, to wrapping on the labels, and everything in between.

As a wine maker Ben feels duty bound to repay all the help they've had by making the very best wines he can. To his mind, that is about taking a global perspective to Northland grapes, taking a few risks, and creating wines with a difference. Interesting wines, with character and complexity, not perfect wines, but wines with intrigue and beauty.

These wines are designed to be savoured, with good food, and good company, something that Source Café can help with!

## BYRNE NORTHLAND ROSÉ 2016 - NEW!

Full-bodied, generous, mouth-filling Chardonnay.

## BYRNE PINOT GRIS

Easy drinking fruitful wine, not too sweet. An enjoyable match with most meal options.

## BYRNE SYRAH 2014
